Re: American University of Antigua College of Medicine v. Leeward Construction
Company, Ltd.
Civ. Docket No. 1:14-cv-07410-DLC
Our File No. 966-04

Dear Judge Cote:

This office represents Leeward Construction Company, Ltd., an Antiguan corporation in the above-referenced matter. We write with regard to the Court's November 7, 2014 scheduling order. Upon information and belief, based on advice from opposing counsel, Leeward was served with process in this matter in Antigua via its authorized agent for service of process on or about October 31, 2014 pursuant to the Hague Convention. However, Petitioner's counsel has not yet had the opportunity to file the affidavit of service and we have been unable to confirm the service of process.

While we await the Petitioner's affidavit of service, we are working on a response to the petition. However, we are concerned about any adverse impacts the November 7, 2014 order may have on our client in this proceeding and would appreciate the Court's direction in this regard.

Please do not hesitate to contact our office with any questions or concerns. We look forward to hearing from you.

Very truly yours,

LEWIS & GREER, P.C.
